

Notice of our new address

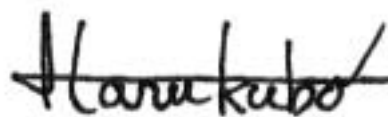

Dear Sir/Madam,

I am pleased to inform you that our three companies are moving to one premise, in order to concentrate all functions. Previously the companies were situated discretely to each other, which might have been an inconvenience to you so far. I am confident that the new premise in a larger space will surely allow us to serve you much better from now on.

We hope to have the opportunity of welcoming you at the new place in the near future.

Yours faithfully,

Ushikata Mfg. Co., Ltd.
Kantum Electronics Co., Ltd.
Jenoptik Laserdiode Japan Co., Ltd.
